

## Project Notification

JUNE 2008

### SUMMARY

As a service to local governments, the Chicago Metropolitan Agency for Planning (CMAP) issues this monthly project notification to apprise state legislators, local government officials, and other interested parties of applications for federal and state grants submitted by units of government within the 7 counties in the northeastern Illinois region that may have an impact on their communities.

The notification summarizes project descriptions submitted to CMAP. The application summary information provided is only a synopsis of what is provided by each applicant and does not include CMAP analysis. If you require more information, please call the contact person listed for any given application.

This project notification process affords local governments and others an opportunity to identify and address conflicts, duplications or weaknesses in a proposed project. Our purpose is to promote the effective use of federal and state grants to further local and regional objectives.

# TRANSPORTATION REQUESTS

Location	CMAAP #	Applicant - Project Description	Contact/ Phone	Total Cost/ Request
Cook Chicago	08-058	The City of Chicago requests funding for ADA Ramp construction at various locations within the City Limits.	Joseph Voldrich (312) 744-3830	\$5,000,000.00 \$3,000,000.00
Cook River Forest	08-059	The Village of River Forest requests funding to reconstruct the Union Pacific Railroad Bridge over Harlem Avenue, from Lake Street to Pleasant Street in River Forest, Forest Park and Oak Park. The roadway will be lowered under the bridge between Lake Street and Pleasant Street and a left turn lane will be added to Harlem Avenue along with the re-design of traffic signals at Central Avenue/North Street, South Street and Circle Avenue. Both roadway traffic and railroad traffic will be maintained.	Greg Kramer (708) 366-8500	\$1,035,000.00 \$800,000.00
Kane Unincorporated Kane County	08-060	Illinois Department of Transportation requests funding to improve and widen the Jericho Road Bridge over Blackberry Creek. The proposed scope of work will also consist of the possible addition of an eastbound left turn lane along Jericho Road at the Barnes Road intersection approximately 600 feet west of the bridge. The profile may be adjusted due to hydraulic requirements. ROW and temporary easement acquisition to be determined.	Timothy Chin (630) 584-3530	\$3,215,000.00 \$2,572,000.00
Kane Batavia	08-061	Illinois Department of Transportation requests funding for roadway improvements at Van Nortwick Avenue and Fabyan Parkway. The project will add a left turn lane for westbound to southbound left turns from Fabyan Parkway to Van Nortwick Avenue. The widening will primarily be to the north because of the south parkway contains electrical distribution lines and a path.	Patricia Marr (217) 782-1662	\$1,185,000.00 \$765,000.00
Kane Elgin	08-062	The Illinois Department of Transportation requests funding to convert the single lane turning lane to a dual turning lane on the south leg of Randall Road and on the west leg of Big Timber Road. The lane will be converted to a right turn lane, a left turn lane and two lanes in each direction. This improvement will extend further west than the existing widening.	Patricia Marr (217) 782-1662	\$1,222,400.00 \$725,400.00
McHenry Harvard	08-063	The City of Harvard requests funding to remove a concrete culvert to widen the roadway on Ayer Street over Mokeler Creek and to improve sidewalk conditions. The scope of work includes removing and replacing the culvert to provide a clear roadway width of 40'.	Dave Nelson (815) 943-6468	\$558,900.00 \$447,120.00
